RESPECTING THE PAST • EMBRACING THE FUTURE

THE HISTORY OF KELVIN GROVE CLUB

Kelvin Grove's History started in 1925 when the company Western Province Sports Club was originally formed. In 1935 the Club had a total of 1755 Members. Today Kelvin Grove Club has approximately 7000 members using the facilities on offer.

Being the largest sports Club in South Africa, mention the name, Kelvin Grove, to those who have not yet experienced the many faceted nature of this unique Club, and words that may spring to mind are: history, heritage, tradition and excellence.

To our Members, the real pleasure and privilege of belonging to this club is its human face, the pure enjoyment of being part of a community of people of all ages, cultures, and creeds, who celebrate life.

Magnificent architecture, excellent service, and old world charm, coupled with all the excitement, variety, energy, and action required by a new generation.

You'll find this spirit of camaraderie and excellence throughout Kelvin Grove. At play, in a multitude of sporting facilities, a well-equipped fitness centre, several restaurants and function rooms including our magnificent Ballroom. Or at work, in a variety of elegantly appointed rooms with up-to-date presentation facilities, catering for functions from the smallest and most select corporate meetings through to spectacular commercial launches seating hundreds.

A visiting Reciprocal Member must provide a current Letter of Introduction, indicating expected visiting period, together with their Membership card from their Club a ID or passport.
