

THE TERRACE RESTAURANT
WINES

The Terrace Restaurant is the Club's premier restaurant where one can enjoy fine dining in an elegant setting which is unequalled anywhere in the Cape.

This menu is created in line with a worldwide trend to offer the best of local produce available seasonally whilst focusing on the quality of the food preparation. The chef has created a number of dishes to tempt the palate.

On Sundays the Terrace is open for lunch and our traditional Kelvin roast is served.

Our Red Wine Cellar has on display many fabulous vintages; please feel free to spend some time in the cellar choosing your wine for the evening. The cellar has a private dining room which seats up to twelve people and can be booked for that special occasion.

For enquiries or reservations for our Gourmet evenings and personal celebrations, please speak to the Restaurant Manager, who will be happy to assist you.
